

FRASER HILL FARM®

Porch Tree Collection

Spruce up your doorway this holiday season with the timeless appeal of this porch accent tree that is potted in a rustic farmhouse metal jug. Spend less time and money this year replacing your natural porch trees. Instead, invest in one of our premium artificial designs that will provide decades of use.

Our accent porch tree features luscious green foliage and is made with quality, maintenance-free materials that will last season after season. The branches display multiple shades of green PVC needles that will instantly add a pop of color and natural look with any frosty scene. Simply unbox, fluff the branches, and enjoy the beauty and long-term benefits that come from owning an artificial design from Fraser Hill Farm.

- Metal hinged branch construction
- Flame-retardant and non-allergenic materials
- 1-year limited warranty
