

Lille Mango Wood & Iron Desk

Add a touch of the exotic to your home with unique quality furniture by Hanover. Handcrafted in India, the Lille Collection offers a line of mango wood and metal accent pieces that are both stylish and functional. The beautiful combination of natural mango wood and black iron offers an urban chic vibe that mixes well with traditional and modern decor.

Complete your home office or remote learning workspace with this generously sized desk. The extra-large desktop provides ample space for a laptop, keyboard, mouse, and computer monitor while leaving extra room for writing. Three storage drawers keep all your supplies handy and organized. Adults and students alike will find it easy to stay on task using this comfortable desk.
