

Congoleum®

AirStep Evolution[®]

The logo for the Stain Defense System is located to the right of the word 'Evolution'. It consists of a circular emblem with a blue upper half and a yellow lower half. Inside the circle, the words 'Stain', 'Defense', and 'System' are stacked vertically in a bold, sans-serif font, with a small trademark symbol (TM) at the end of 'System'.

The New Generation of Flexible Flooring

AirStep Evolution®

AirStep Evolution SDS, the new generation of flexible sheet flooring.
Beautiful styling enhanced with a deep, rich texture.
It's everything you want in a floor and more!

- *AirStep Evolution SDS* is like no other floor you can buy.

- Congoleum's exclusive *Stain Defense System* technology makes *AirStep Evolution SDS* so easy to clean and maintain. Dirt and spills wipe right up. It repels water, oily stuff and everyday sticky spills. Plus, the Stain Defense System makes "green living" easy. No need for chemical cleaners, detergents or polish. Simply wipe or damp mop with water to clean.

- *AirStep Evolution SDS* contains silver, nature's own antibacterial protection to guard your floor against bacteria, mold and mildew.
- The unique UltraTec Premium construction gives *AirStep Evolution SDS* exceptional durability and wear resistance. It is warm, quiet and comfortable underfoot.
- *AirStep Evolution SDS* can be installed loose lay, perimeter fastened or fully adhered over most subfloors with little floor preparation.

- *AirStep Evolution SDS* is environmentally friendly and FloorScore certified. FloorScore certified flooring products have passed a third party certification process and

are recognized as contributing to good indoor air quality in order to protect human health.

Best of all, Congoleum *AirStep Evolution SDS* is *Made in USA*.

not gouge, rip or tear	25 Years
not permanently indent when proper floor protectors are used	25 Years
will be easy to clean	15 Years
repel dirt and grime	15 Years

General Maintenance

- Sweep or vacuum regularly to remove grit and sand that can abrade, dull or scratch your new floor. Do not use a vacuum with a beater brush, because it may damage the floor's surface.
- Wipe up spills promptly with a damp cloth or mop.
- For a more thorough cleaning, wash your floor with Congoleum Bright 'N Easy No-Rinse Cleaner or other suitable floor cleaner.

For complete warranty and maintenance information contact Congoleum Corporation, Dept. C, 3500 Quakerbridge Road, P.O. Box 3127, Mercerville, NJ 08619. Our telephone number is
