Assembly Steps

Overview

This End Table has multiply parts.

To give an overview of the End Table, the above picture is to help you put the various parts into perspective.

Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

Note: it is recommended that you have an adult partner to assist during the entire assembly process.

Step 1

Open the carton and place all parts onto a clean, non-marring surface. Twist in the Legs (B) to bottom Table Top (A) and repeat the same step on another 2 legs(B). Your End Table is ready to use.

This End Table can only use on a flat, level surface.
