

Ava Two-Way Flush & Semi-Flush Mount

AA 3X	BB 2X	CC 2X	DD 2X	EE 2X
----------	----------	----------	----------	----------

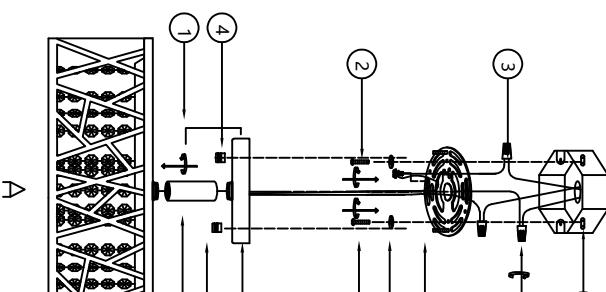

Installation steps:

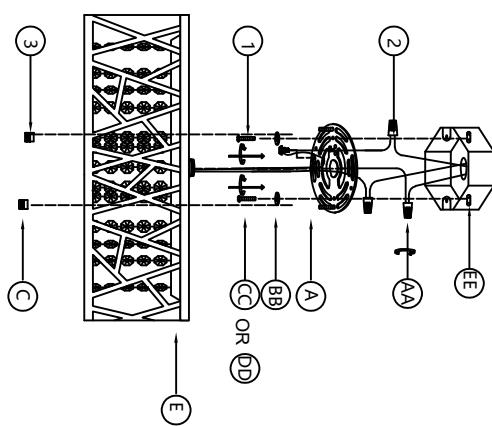

Assembly Method A (Using Rod D)

1. Thread the hot, neutral, and ground wires of lamp body E through rod D and ceiling plate B, then rotate to tighten.
2. Secure mounting plate A to the junction box by rotating screw (CC or DD) through washer (BB).
3. Use wrist-on wire connector (AA) to connect the lamp body's hot (live), neutral, and ground wires to the corresponding wires in the junction box.
4. Attach lamp body E to mounting plate A using metal connector C.

A

A

Assembly Method B (Without Using Rod D)

1. Secure mounting plate A to the junction box by rotating screw (CC or DD) through washer (BB).
2. Use wrist-on wire connector (AA) to connect the lamp body's hot (live), neutral, and ground wires to the corresponding wires in the junction box.
3. Attach lamp body E to mounting plate A using metal connector C.
