55" Ultra HD 4K SMART TV

Instantly enjoy endless entertainment with the Impecca 55" Frameless LED TV! Experience breathtaking picture quality for stunning clarity, deep contrast, and vivid colors. This TV is HDR-compatible, so you can enjoy HDR movies and TV shows. Dolby Vision enhances picture quality with an expanded range of contrast and superior brightness. Connect easily with three HDMI inputs, and multiple input/output options. Search for movies and shows across thousands of available apps, get entertainment recommendations, access media playback controls, change the temperature, dim the lights, and so much more. Ask questions and see the answers on your TV, including Google Photos, your calendar, sports scores, and more. Even automate and control your smart devices. The Google Assistant is always on and ready to help, relax, and enjoy! Get your TL5500AS today!
