

# CSS LED

Contractor Single Strip Light

## The Easiest Strip to Order, Stock, and Install

CSS is the Lithonia Lighting® go-to Contractor Select™ Strip. It is built on the existing CDS framework with a beautiful diffuse single lens.

### Ordering Made Easy

This is the perfect strip to order for almost any basic application. From residential workspace to commercial warehouse, the CSS features 4- and 8-foot configurations with up to 10,000 lumens, all DLC listed - providing versatility for many applications.

### Stock 9 SKUs in 1

With the ability to switch lumens and adjust color temperature in one fixture, CSS can be adapted to the needs of each project – 9 different variations within the same SKU!

### Installation Options

The CSS can be surface mounted, suspended or row mounted. Additionally, can be opened without any tools. The quick disconnects between the driver and the LEDs allow you to remove the LED tray so it doesn't interfere with installation.

### Quick Facts:

- Single lensed version of our popular CDS Strip
- 4' and 8' lengths offering from 3,000-10,000 lumens
- Available Switchable White and Adjustable Light Output technology
- L70 at 80,000 hours
- Diffuse acrylic lens
- Standard 0-10V dimming
- ANSI Standard of 2.5kV surge protection
- Optional motion sensor

## Switch it up!

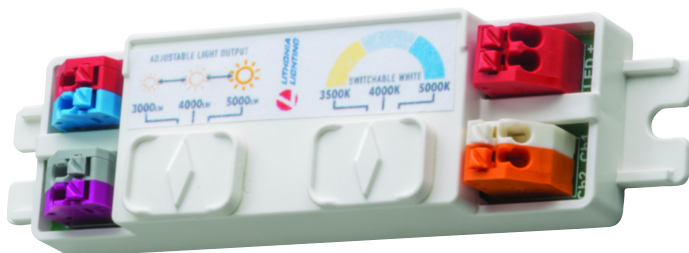

Choose the CSS Switchable option for the ability to switch both lumens and color temperature in one fixture.

### Switch and Features

Adjustable Lumens: (4') 3,000L to 5,000L

Switchable White: 3500K to 5000K

(8') 6,000L to 10,000L
