

7513W28 ASSEMBLY INSTRUCTIONS

Parts list: (included)

						
Lampshade*1	Lamp Body*1	Mounting bracket*1	Tapping screw*2 Screw*2	Outer Ring*1	Remote Contro*1	Type-C USB Charging Cable*1

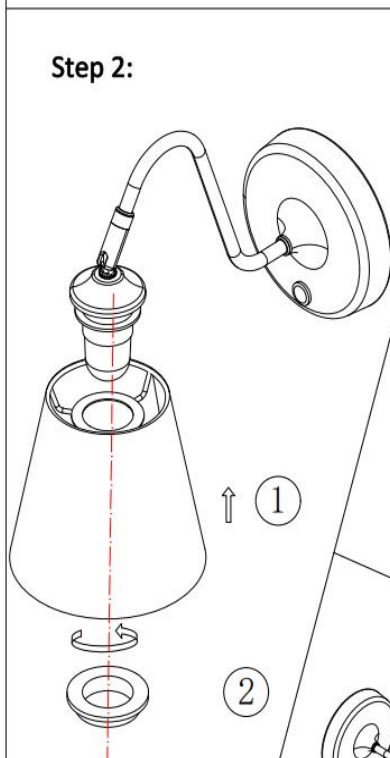

Step 1:

Mark the location of the mounting holes on the wall with a pencil and drill holes at the marked locations. Insert two tapping screws into the drilled holes and secure the mounting bracket (top right corner as shown) to the wall with screws. Make sure it is level and firm.

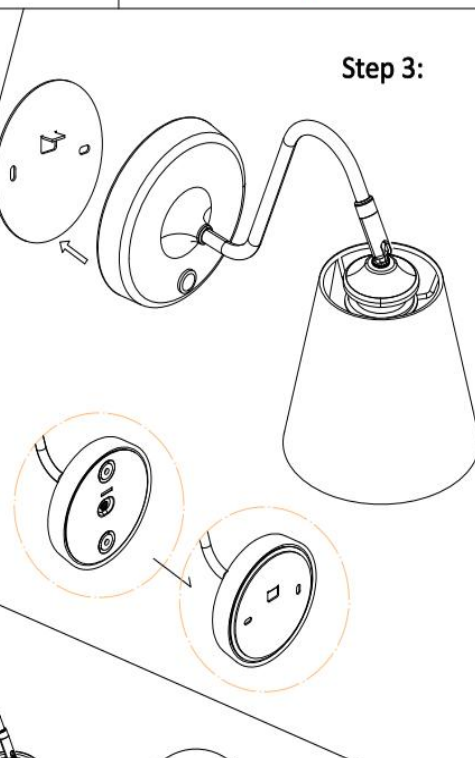

Step 2:

Use the outer ring to secure the lampshade onto the lamp body, ensuring that it is firmly in place and will not loosen.

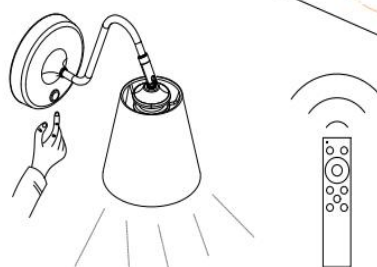

Step 3:

Connect the lamp body to the mounting bracket by aligning the connection points.

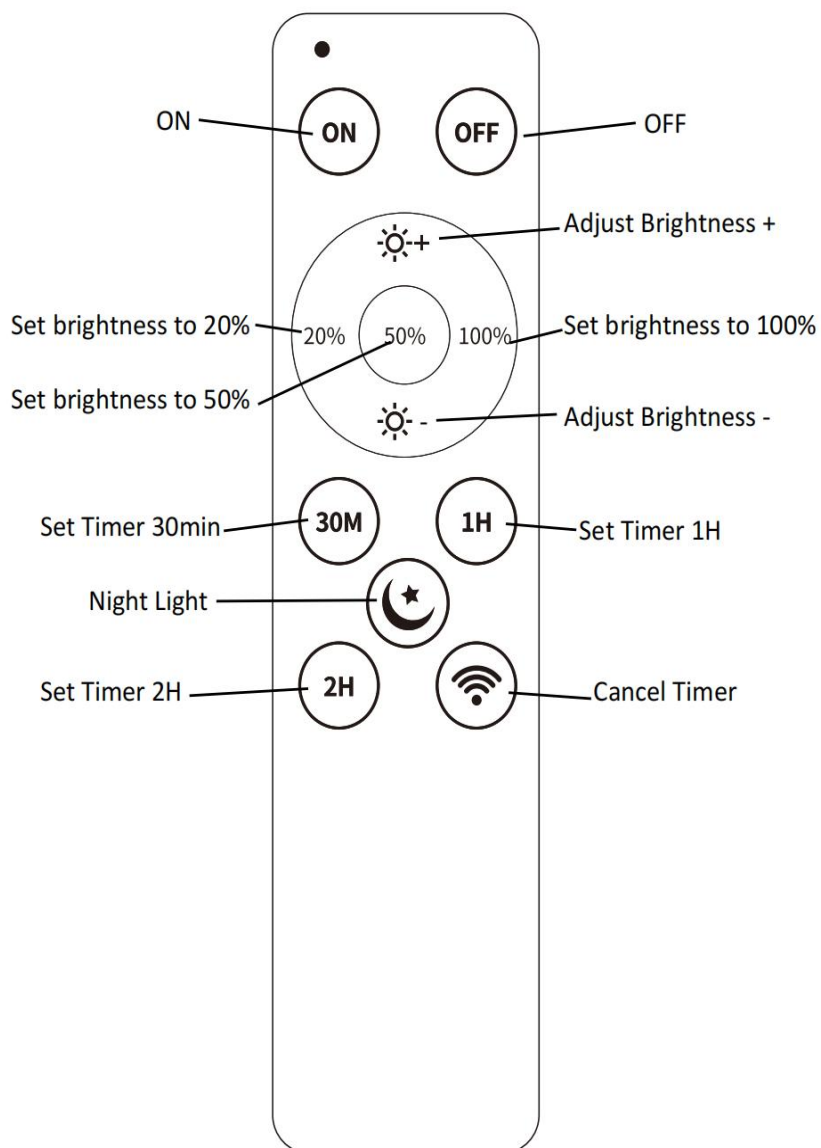

Step 4:

Use the provided Type-C USB cable for charging. For first-time use, please fully charge the battery. Use the touch dimmer switch to adjust the light intensity. The light is also compatible with a remote control for further convenience.
