ITEM	PART CODE	DESCRIPTION	QTY.
A	PNSP2	LOCKING PIN	8
B	MPISUNORP	OUTRIGGER	4

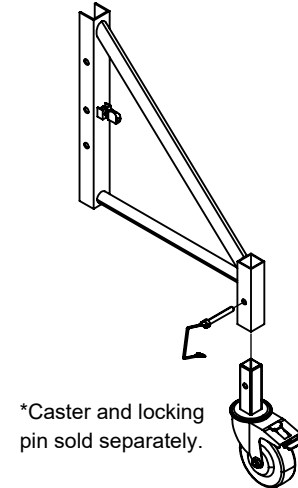

# ASSEMBLY INSTRUCTIONS

- 1 Build the multi-purpose scaffold (one, two, or three tiers) following the manual instructions.
- 2 Install the \*caster (not included) into the outrigger and secure it with the \*locking pin (not included).
- 3 Place the outrigger on one of the ladder frame's legs close to the bottom in line with the rungs.
- 4 Secure the outrigger with two of the locking pins provided.
- 5 Tighten the bolt to align the outrigger with the scaffold leg.
- 6 Repeat steps 2-5 with the rest of the outriggers.
