

## TRPUL

### 750W Unlimited Rebate Planer 82mm

17-position depth control for precise material removal, lock-off switch and low-vibration front handle for added comfort. Left or right rear dust extraction. Power indicator. Removable blade drum system allows fitment of interchangeable sanding drum. Cutting capacities: width 82mm, depth 3mm. Weight 3.9kg.

**Model:** TRPUL  
**Product:** 350803  
**Brand:** TRITON  
**Region:** United States  
**Category:** Planers  
**Sub Category:** Planers  
**Version No:** V.4.2  
**Version Date:** 14/06/2019

### Product Specification

|                                       |  |
|---------------------------------------|--|
| Product Height                        | 6 1/2"   |
| Product Length                        | 11 13/16"  |
| Product Width                         | 6 11/16"   |
| Product Weight                        | 8.6lbs   |
| Power                                 | 6.5A   |
| Voltage                               | 110-120V 60Hz  |
| No Load Speed                         | 15,500rpm  |
| Electrical Class                      | Class II   |
| Sound Pressure LP                     | 87dB   |
| Sound Power LW                        | 98dB   |
| AC or DC Powered                      | AC   |
| Blade Size                            | 3 x 3-1/4"   |
| Blade Type                            | 3 x Reversible HSS   |
| Connector Size                        | 2"   |
| Cuts Per Minute CPM                   | 46,500cpm  |
| General Product Safety QC Question 01 | Are there any sharp edges? If yes please give details                                  |
| General Product Safety QC Question 02 | Does the product give you any safety concern? If yes please give details               |
| General Product Safety QC Question 03 | Function - Does the product do what it is intended to do? If no please give details    |
| General Product Safety QC Question 04 | Size - Is the product size and shape it was specified to be? If no please give details |
| General Product Safety QC Question 05 | Full contents - Are all the parts present? If no, please specify what's missing        |
| Handle - Primary - Style              | Front handle   |
| What's in the box - 01                | 1 x Main Working Unit  |
| What's in the box - 02                | 1 x Sanding drum with sanding sleeve 80 grit   |
| What's in the box - 03                | 1 x Planing drum (HSS 3 blade) on machine  |
| What's in the box - 04                | 1 x Wrench and 5mm hex spanner   |
| What's in the box - 05                | 1 x Dust extraction bag and adaptor  |
| What's in the box - 06                | 1 x Guide fence  |
| What's in the box - 07                | 1 x Fixed knob subassembly   |
| What's in the box - 08                | 1 x Rotary knob  |
| What's in the box - 09                | 1 x Manual   |
| Instruction Manual Included           | Yes  |
| IP Rating                             | IP20   |
| Material - Primary Construction       | Aluminium PA6 + GF30   |
| Number of Blades                      | 3  |
| Planing Depth                         | 0 - 1/8"   |
| Planing Width                         | 3-1/4"   |
| Plate Depth                           | 23/64"   |
| Power On Indicator                    | Yes  |
| Compatible With 01                    | TRPSS  |
| Compatible With 02                    | TRPPB  |
| Included Accessory - 01               | Sanding drum with sanding sleeve   |
| Included Accessory - 02               | Planing drum (HSS 3 blade) on machine  |
| Included Accessory - 03               | Dust extraction bag and adaptor  |
| Included Accessory - 04               | Guide fence  |
