

A PROUD HERITAGE OF EXPERIENCE AND QUALITY

Brama Indoor Automatic Ice Maker

BR-15INIM-B

Brama Indoor Automatic Ice Maker is a sophisticated addition to any environment setting. The BR-15INIM-B ice maker features a black body, stainless steel door, full-length door handle, and front exhaust. The sturdy stainless steel door and black cabinet create a unit that is as durable as it is elegant. Front exhaust allows this ice maker to be seamlessly installed into existing cabinetry and the reversible door swing allows this unit to be paired with a wine cooler or beverage cooler of your choosing. Producing up to 50 lbs of ice per day into a removable storage bin, it is perfect for entertaining large parties. Ice scoop is included in this unit. Drain hose and water supply hose are included for easy installation. This unit is designed for indoor installation only.
