Floor Scrapers

Instruction Manual

MODEL: CN052

We continue to be committed to provide you tools with competitive price.

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

Technical Support and E-Warranty Certificate
www.vevor.com/support

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

Warning-To reduce the risk of injury, user must read instructions manual carefully.

Blade installation and disassembly

★ The picture is for reference only, please refer to the actual.

Disassembly: Use upward and outward force to remove the blade from the hilt.

Installation: With the smooth surface facing upwards, align the middle hole of the blade with the tendon position in the middle of the hilt and forcefully insert it into the fore-end of hilt.

NOTE

- (1) The blade is sharp, so disassembly and assembly need to be careful to avoid injury.
- (2) Please keep out of reach of children after use.
- (3) The blade has two sharp edges, and if one is damaged, it can be replaced with the other end.
