

ASSEMBLY INSTRUCTIONS

REPLACEMENT POST OUTLET/SKU #579722

NOTE: Please consult a qualified electrician if you are not certain of the installation.

CAUTION: Before starting the installation or service, disconnect the power by turning off the circuit breaker or removing the fuse at the fuse box.

Outlet Kit Installation

1. Carefully unpack the outlet and lay out all parts on a clean surface.
2. Connect black outlet wire to black power supply & post top wire. Connect white outlet wire to white power supply & post top wire. Connect green outlet wire to power supply & fixture ground.
3. Screw the outlet kit to the lamp post.
4. Reconnect the power.

Post Light Installation

1. Wire supply lines to post light following the manufacturer's instructions.
