## PENNINGTON. THE GRASS IS GREENER.™

We work hard every day to cultivate the best grass seed products available, so you can seed your yard with peace of mind. Our grass seed is bred to not only look better but also be water-efficient and disease-resistant.

## IS ANNUAL RYEGRASS THE RIGHT SEED FOR YOUR LAWN?

Annual Ryegrass is known for fast establishment and quick color. If you need temporary support for a permanent northern lawn or temporary winter color for a southern lawn, this annual grass is an ideal choice.

FEATURED CHARACTERISTICS OF  
**ANNUAL RYEGRASS**

sun requirement <b>6-8 HOURS</b>	planting depth <b>1/4"</b>	see results in <b>3-7 DAYS</b>	mowing height <b>3"</b>
-------------------------------------	-------------------------------	-----------------------------------	----------------------------

SUN TOLERANCE  
  
VERY GOOD

SHADE TOLERANCE  
  
GOOD

DROUGHT TOLERANCE  
  
GOOD

DISEASE RESISTANCE  
  
EXCELLENT

TRAFFIC RESISTANCE  
  
EXCELLENT

## WHERE WILL THIS SEED GROW BEST?

**WHEN SHOULD THE SEED BE PLANTED?**  
Early Spring or early Fall

HOW MUCH SEED SHOULD BE USED?	
Winter Overseeding & Bare Spots	10 lbs / 1,000 sq ft
Thin Lawn Support	5 lbs / 1,000 sq ft

## 4 EASY STEPS

FOLLOW THESE INSTRUCTIONS TO WOW YOUR NEIGHBORS  
**EN CUATRO PASOS SENCILLOS**  
Siga estas instrucciones para impresionar a sus vecinos

**STEP 1**

NEW LAWNS

OVERSEEDING

**PREPARE**  
**FOR BARE SPOTS/NEW LAWNS:**  
Remove debris, then rake the soil to loosen and smooth the top layer.  
**PARA ZONAS CON HUECOS O CÉSPED NUEVO:** Retire los desechos y luego rastrille la tierra para aflojar y suavizar la capa superior.  
**FOR OVERSEEDING/THIN AREAS:**  
Start by mowing existing grass as short as possible followed by removing debris. Then rake the soil to loosen and smooth the top layer.  
**PARA RESIEMBRA O ZONAS DELGADAS:** Corte el césped existente lo mas corto sea posible y elimine los desechos. Luego, rastrille la tierra para aflojar y suavizar la capa superior.

**STEP 2**

**APPLY FERTILIZER**  
Apply a starter fertilizer at the manufacturer's recommended rate.  
**APLIQUE UN FERTILIZANTE:** Aplique la cantidad de fertilizante recomendada por el fabricante.

**STEP 3**

**APPLY SEED**  
Spread the seed evenly using a drop, rotary or hand-held spreader according to the recommended spreader settings listed. Rake gently to work your seed & fertilizer into the soil.  
**APLICACIÓN:** Disemine las semillas de manera uniforme con un esparcidor de caída, rotativo o manual, de acuerdo con las configuraciones recomendadas y enumeradas del esparcidor. Rastrille suavemente para que las semillas y el fertilizante germinen en la tierra.

**STEP 4**

**WATER**  
Keep the soil moist by watering daily as needed until grass sprouts and reaches about 3" tall.  
**RIEGUE:** Mantenga la tierra húmeda al regar lo que sea necesario por día hasta que el césped brote y alcance alrededor de 3 pulgadas (7,62 cm) de alto.

RECOMMENDED SPREADER SETTINGS		
SPREADER TYPE	THIN AREAS	BARE SPOTS/ NEW LAWNS
Expert Gardener™ Push Seed Spreader	13	13"
Scotts® Turf Builder® EdgeGuard® Mini Broadcast Spreader	14	14"
Scotts® Whirl® Hand-Held Spreader	5	N/A
Sta-Green® 32-lb Broadcast Spreader	11.5	11.5"

\*Go over twice

## ADDITIONAL CARE TIPS

- 1

Mow lawn when grass height reaches 3" tall
- 2

Avoid removing more than 1/3 of the total grass blade length at any single mowing
- 3

Hot summers can be stressful on your lawn; increase the mowing height during hot & dry periods to reduce stress on lawn
- MOST IMPORTANTLY - Don't kill the grass before it starts by using weed control (pros call it preemergent) on your lawn until your grass has reached its full mowing height of 3"**

NOTICE: Arbitration/conciliation/mediation required by several states. Under the seed laws of several states, arbitration, mediation, or conciliation is required as a prerequisite to maintaining a legal action based upon the failure of seed, to which this notice is attached, to produce as represented. The consumer shall file a complaint along with the required filing fee with the commissioner/director/secretary of agriculture, seed commissioner, or chief agricultural officer within such a time as to permit inspection of the crops by the designated agency and the seedsman from whom the seed was purchased. A copy of the complaint shall be sent to the seller by certified or registered mail or as otherwise provided by state statute.
