assembly instructions

Friendly Tip: Take a deep breath going in. This may be a tricky part, but nothing too overwhelming. Just follow these steps to the T and the outcome will be worth it!

step 1:

Turn the tabletop (A) upside down. Align the colours on the table legs (B) with their counterparts on the tabletop (A).

step 2:

Start by attaching table legs (B) using bolts (C). See the highlighted circle in the image to know where to place the bolts (C). Tighten all points using allen-key (D).

step 3:

Repeat step with the remaining two legs.

step 4:

Make sure all the table legs (B) are tight and secure.

Voila! Your table is now assembled and secure!
