

## LED Vapor Tight Light

### PRODUCT DESCRIPTION

The 4ft Vapor Tight LED light is engineered for challenging environments where dust, moisture, and humidity are factors. Ideal for parking garages, stairwells, and industrial settings, this fixture's durable construction ensures long-lasting performance. With integrated LED technology, it provides energy-efficient lighting with a bright, even glow. Easy to install and maintain, this vapor tight light is a reliable and cost-effective lighting solution for your needs.
