

# CALIFORNIA PROPOSITION 65 WARNINGS

## WOOD DUST

Our furniture material is wood, there will be a small amount of wood dust and formaldehyde or other elements on furniture. This level of chemicals is safe and may not expose the customer to any health related risks.

All of our materials meet the USA and Canada exporting standards.

## Why am I being warned about potential exposure to wood dust?

- Wood dust is on the [Proposition 65](#) list because it can cause cancer.
- Exposure to wood dust in significant amounts on a recurring basis can cause cancers of the nose, throat and sinuses.
- Proposition 65 requires businesses to determine if they must provide a warning about exposures to [listed chemicals](#).

**WARNING:** This product can expose you to chemicals including wood dust, which are known to the State of California to cause cancer. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).
