Maximum door height:	55-7/8" (1419 mm)
Maximum door width:	56-3/4" (1441 mm)

## Notes

Install this product according to the installation instructions.

Studs should be positioned roughly as shown. Double studding is recommended for pivot shower door installations.

Bath cannot be installed without the wall surround.

Attach grab bars at the specified backerboard locations only.

ADA adaptable when grab bars and seat are installed per the specific requirements of these regulations.

For future ADA compliance, select a mixing valve location that will not interfere with a control wall grab bar.
