Made in China • Printed in China

IMPORTANT INSTRUCTIONS

When using electrical appliances, basic precautions should always be followed to reduce the risk of fire, electrical shock, and injury to persons including the following:

1. Read all instructions before using this appliance.
2. **DANGER** – High temperatures may be generated under certain abnormal conditions. Do not partially or fully cover or obstruct the front of this heater. **WARNING:** In order to avoid overheating, do not cover the heater.
3. **CAUTION:** Never leave the heater operating unattended. Extreme caution is necessary if unsupervised children or invalids are nearby.
4. The appliance is not to be used by children or persons with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction.
5. Always unplug this appliance when not in use.
6. Do not operate any heater with a damaged cord or plug or after the appliance malfunctions, or if it has been dropped or damaged in any manner.
7. If the supply cord is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid a hazard.
8. Do not use outdoors.
9. This heater is not intended for use in bathrooms, laundry areas and similar indoor locations. Never locate this appliance where it may fall into a bathtub or other water container.
10. Do not run cord under carpeting. Do not cover cord with throw rugs, runners or the like. Arrange cord away from traffic areas and where it will not be tripped over.
11. To disconnect this appliance, turn controls to the off position, then remove plug from outlet.
12. This appliance, when installed, must be electrically grounded in accordance with local codes or, in the absence of local codes, with the current CSA C22.1 Canadian Electrical Code or for U.S.A. installations, follow local codes and the National Electrical Code, ANSI/NFPA NO.70.
13. Do not insert or allow foreign objects to enter any ventilation or exhaust opening as this may cause an electric shock or fire, or damage the appliance.
14. To prevent a possible fire, do not block air intakes or exhaust in any manner. Do not use on soft surfaces, like a bed, where opening may become blocked.
15. This appliance has hot and arcing or sparking parts inside. Do not use it in areas where gasoline, paint or flammable liquids are used or stored. This fireplace should not be used as a drying rack for clothing. Christmas stockings or decorations should not be hung in the area of it.
16. Use this appliance only as described in the manual. Any other use not recommended by the manufacturer may cause fire, electric shock or injury to persons.
17. Disconnect power at service panel and have heater inspected by reputable electrician before reusing.
18. This heater is for use on 120 volts. The cord has a plug as shown in figure 1. See Figure 1 for grounding instruction. An adapter as shown at C is available for connecting three-blade grounding type plugs to two-slot receptacles. The green grounding plug extending from the adapter must be connected to a permanent ground such as a properly grounded outlet box. The adapter should not be used if a three-slot grounded receptacle is available.

GETTING STARTED

1. The serial number is located on the side of the lantern, the serial number is necessary for product warranty registration and customer service.

- 2 . Go to www.tsicustomerservice.com for product warranty registration. If you are unable to complete registration save your proof of purchase for warranty purposes.

PRODUCT SPECIFICATIONS

VOLTAGE	120VAC, 60 Hz
AMPS	12.5 Amps
WATTS	1500 Watts

INSTALLATION INSTRUCTIONS

1. The bolts are found under the top edge, remove 4 bolts by hand.
2. Remove the cover from the lantern.
3. Place black or white decorative rocks around the base of the candle.
4. Re-attach cover in reverse order.

OPERATION INSTRUCTIONS

The lantern can be operated by either the remote control or the control panel.

OPERATION INSTRUCTIONS

FUNCTION	ICON	DESCRIPTION
POWER		The power button supplies power to all of the functions of the lantern. The power button will put the lantern in a standby mode. This will turn off all functions at once but will hold the settings in the memory. By pressing the Power button again the unit will turn on at the same settings. With the power on, press and hold the Power button on the control panel for 10 seconds or the heater indicator flashing to disable or re-enable the heater function.
HEATER		Pressing the HEAT button will cycle through 1000W, 1500W and OFF settings.
CANDLELIGHT		6 light levels can be selected: Setting 1 -3 decrease in brightness with flickering; Setting 4 -6 decrease in brightness without flickering.
DOWNLIGHT		Pressing the downlight button will turn on/ off the downlight.
COOL DOWN CYCLE		After the heater has ran the fan will continue to run for a COOL DOWN CYCLE period of time to cool down the internal parts.

TROUBLESHOOTING

Problem	Root Cause	Corrective Action
The heater is taking a long time to reach desired room temperature.	Location	Your unit should always be positioned on an inside wall with proper insulation. The heater provides supplemental heating for up to 1000 sq/ft in conjunction with a primary heat source.
	Location	The back and side of the heater should be greater than 6 inches away from objects for proper air intake.
	Use of surge protector/extension cord.	Plug unit directly into the wall outlet.
Temperature will not change.	Defective control panel circuit board.	Replace control panel circuit board.
Heater does not turn on but other functions work fine.	Manual reset needed	Turn the POWER to "OFF" and unplug the unit from the wall outlet for 30 minutes. After 30 minutes plug the unit back into wall outlet, and operate as normal. If the problem persists contact customer service.
Buttons do not work.	Defective control panel circuit board.	Replace control panel circuit board.
Control panel does not illuminate.	Defective control panel circuit board.	Replace control panel circuit board.
Remote control is not working when buttons are pressed.	No batteries or battery power.	Change the remote batteries.
	Poor signal	Operate remote transmitter at a slow measured pace. Press the remote control buttons with an even motion and gentle pressure. Repeatedly pressing buttons in rapid succession may cause the transmitter to malfunction.
	Distance	Operate the remote at a distance less than 20 feet from the front of the appliance; point the remote at the control panel.

REPLACEMENT PARTS

Part	Part Name	Part Number
1	Ring handle	Y16-S175-RH
2	Downlight Circuit Board	Y16-S175-P49
3	Candle Light PCBA	Y16-S175-CLP
4	Flame Circuit Board	Y16-S175-P40
5	Remote control	P137
6	Main Circuit Board	Y16-S175-P15
7	Heater/Blower Assembly	Y16-S175-P01
8	Control Panel Buttons	Y16-S175-P85
9	Control Panel Circuit Board	Y16-S203-P32

Note, the scale and size of your parts may be different depending on your exact model.

CARE AND MAINTENANCE

- Clean the trim using a soft cloth, slightly dampened with citrus oil based product and buff with a clean soft cloth.
- DO NOT use brass polish or household cleaners as these products will damage the metal trim. Citrus oil based products can be obtained at supermarkets or hardware stores.
- WARNING: Electrical outlet wiring must comply with local building codes and other applicable regulations to reduce the risk of fire, electrical shock and injury to persons.
- Warning: Disconnect power before attempting any maintenance or cleaning to reduce the risk of fire, electrical shock or personal injury.

FCC/IC INFORMATION

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

This Class B digital apparatus complies with Canadian ICES-003.

BATTERY REPLACEMENT

NOTE: Do not mix old and new batteries.

Do not mix alkaline, standard (carbon zinc), or rechargeable (nicad, nimh, etc.) batteries.

Note:

Battery disposal

Please always dispose of batteries at a suitable recycling point.

CAUTION:

- Do not ingest batteries.
- Non-rechargeable batteries are not to be recharged.
- Batteries are to be inserted with the correct polarity.
- Exhausted batteries are to be removed from the product.
- Always purchase the correct size and grade of battery most suitable for the intended use.
- Replace all batteries of a set at the same time.
- Clean the battery contacts and also those of the device prior to battery installation.
- Remove used batteries promptly.

1-YEAR LIMITED WARRANTY

The manufacturer warrants that your new Lantern is free from manufacturing and material defects for a period of one year from date of purchase, subject to the following conditions and limitations.

1. Install and operate this Electric Appliance in accordance with the installation and operating instructions furnished with the product at all times. Any unauthorized repair, alteration, willful abuse, accident, or misuse of the product shall nullify this warranty.
2. This warranty is non-transferable, and is made to the original owner, provided that the purchase was made through an authorized supplier of the product.
3. The warranty is limited to the repair or replacement of part(s) found to be defective in material or workmanship, provided that such part(s) have been subjected to normal conditions of use and service, after said defect is confirmed by the manufacturer's inspection.
4. The manufacturer may, at its discretion, fully discharge all obligations with respect to this warranty by refunding the wholesale price of the defective part(s).
5. Any installation, labor, construction, transportation, or other related costs/expenses arising from defective part(s), repair, replacement, or otherwise of same, will not be covered by this warranty, nor shall the manufacturer assume responsibility for same.
6. The owner/user assumes all other risks, if any, including the risk of any direct, indirect or consequential loss or damage arising out of the use, or inability to use the product, except as provided by law.
7. All other warranties – expressed or implied – with respect to the product, its components and accessories, or any obligations/liabilities on the part of the manufacturer are hereby expressly excluded.
8. The manufacturer neither assumes, nor authorizes any third party to assume on its behalf, any other liabilities with respect to the sale of the product.
9. The warranties as outlined within this document do not apply to non accessories used in conjunction with the installation of this product.
10. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

This warranty is void if:

- a. The Lantern is subjected to prolonged periods of dampness or condensation.
- b. Any unauthorized alteration, willful abuse, accident, or misuse of the product.
- c. You do not have the original receipt of purchase.
