DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Shake Well Before Using

Read Entire Label and Use Strictly in Accordance with Label Precautionary Statements and Directions. For any questions regarding disease identification, consult an extension agent, university or local arborist.

tsp = teaspoon Tbs = Tablespoon

Readily mixes with water and can be used in a hand-held, hose-end or tank-type sprayer. Shake well before using. Fine spray required for proper coverage; use a hose-end sprayer for best results.

Pour concentrate directly into sprayer and slowly add the appropriate amount of water. Replace cap.

Do not use on home lawns and turf sites associated with apartment buildings, daycare centers, playgrounds, playfields, recreational park athletic fields, athletic fields located on or next to schools (i.e., elementary, middle and high schools), campgrounds, churches and theme parks. Do not apply this product in a way that will contact other persons or pets, either directly or through drift. Keep people and pets off treated areas until dry.

Vegetable Diseases

Apply the amount of concentrate in the table below in one gallon of water to cover 200 sq ft (10' x 20'). Thoroughly spray to cover all plant surfaces. **Note:** Avoid spraying plants during extremely hot and sunny weather. Do not apply to wilted plants. Do not graze treated areas or feed treated plant parts to animals.

PRECAUTIONARY STATEMENTS**Hazards to Humans & Domestic Animals**

WARNING: Causes substantial but temporary eye irritation. Causes skin irritation. Harmful if inhaled, swallowed or absorbed through the skin. Do not get in eyes, on skin or on clothing. Avoid breathing spray mist. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse. Wear goggles or face shield, coveralls over a short-sleeve shirt and pants, and rubber gloves when mixing and applying this product. **Note to User:** This product may produce temporary allergic side effects characterized by redness of the eyes, mild bronchial irritation and redness or rash in exposed skin areas. Persons having an allergic reaction should contact a physician.

First Aid: Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 800-420-9347 for emergency medical treatment information.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on Skin or Clothing: Take off contaminated clothing. Immediately rinse skin with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice. **If Swallowed:** Immediately call a poison control center or doctor for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

See attached booklet for complete Environmental Hazards.

If you have a medical emergency, need consultation on diagnosis, therapy and analysis call 800-420-9347.

If you have questions relating to product use or application, please call 866-945-5033.

If you have a product spill or transportation emergency call 800-424-9300.

NOTICE: This product contains chlorothalonil, a chemical known to the State of California to cause cancer in laboratory animals.
