

Van Zyverden's
LILIES YELLOW COCOTTE

Lilies are one of the truly great garden plants, and they are beloved by gardeners everywhere. Their beauty, diversity, extended season of bloom, graceful stature and overall reliable disposition reflect the fruits of hundreds of years of selective breeding. In Chinese, the word 'Lily' means 'forever in love'. The Lilium family is so large, varied, and complex that it is challenging to describe them in short. Lilies are deer and critter resistant. Plant them just about anywhere - borders, beds, cutting gardens, perennial gardens, pots and containers.

*Good full sun
perennial choice*

Classic asiatic choice

*Popular choice
for those with pets*

About This Variety: Yellow Cocotte is an asiatic hybrid type of lily. This precious lily is unscented, pollen free and composed in the garden. Can also be used as a cut flower. Flower are about 4" across, with a thin maroon outline on each petal. Flowers are outward facing borne on tall stiff strong stems. Pet friendly choice in vase or garden. They are also a suitable choice for allergy sufferers for allergy free gardening. Highly recommended, you can't go wrong.

Growing Instructions: Plant in well-drained soil where they will receive 6-8 hours of sun a day. They are winter hardy and considered a strong perennial that can be left in the ground and will re-bloom year after year if the conditions are right. Lilies perform best when mulched.

Care Tip: Lilies prefer cool soil, which argues for shade at their feet from low growing companions. When cutting the flowers for bouquets, remove no more than 1/3 of the stem so sufficient leaves remain to renew the bulb for the coming year.

Exposure: Full sun to partial shade

Height: Grows 36" tall

Spacing: Plant 6-8" apart, 6-8" deep

Hardy in: USDA zones 3-10

Guaranteed to grow 1 year from purchase if directions are followed. Any concerns related to quality and/or counts feel free to contact us.
