

PET CRATE: USE + CARE INSTRUCTIONS

It's important to keep the crate clean for the well-being of your pet. Please follow the instructions below:

- The crate is for indoor use only.
- Do not drag the crate on the floor.
- Do not sit or stand on this unit.
- Do not lift with pet inside the crate.
- The unit is not waterproof.
- Scratching and staining may occur on the base surface if not protected with a cushion or a protective mat.
- Clean the inside and outside of the crate with a damp sponge or cloth.
