| 2PCS |                                                                                       | 2PCS |                                                                                       |

**STEP 9:**

|             |                                                                                    |             |                                                                                     |
|-------------|------------------------------------------------------------------------------------|-------------|-------------------------------------------------------------------------------------|
| <b>1</b>    |  | <b>4</b>    |  |
| <b>4PCS</b> |                                                                                    | <b>4PCS</b> |                                                                                     |

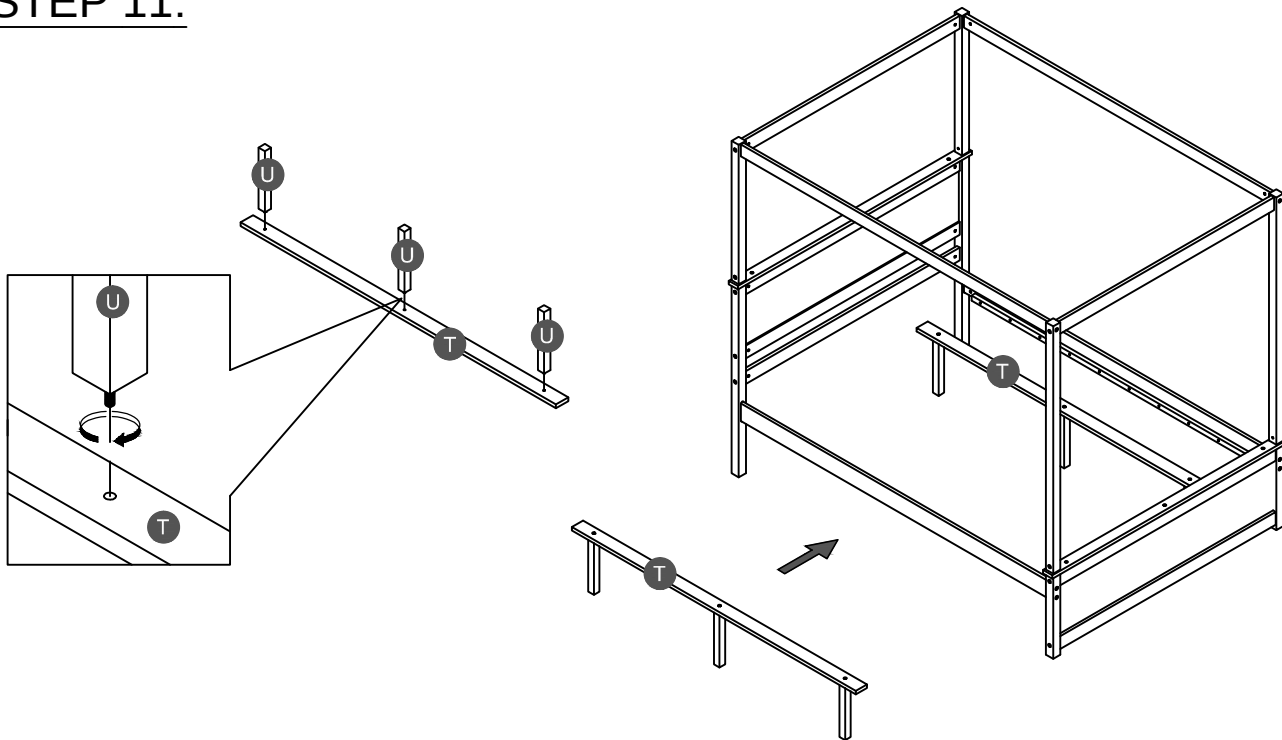

**STEP 10:**

|             |                                                                                       |
|-------------|---------------------------------------------------------------------------------------|
| <b>3</b>    |  |
| <b>4PCS</b> |                                                                                       |

## STEP 11:

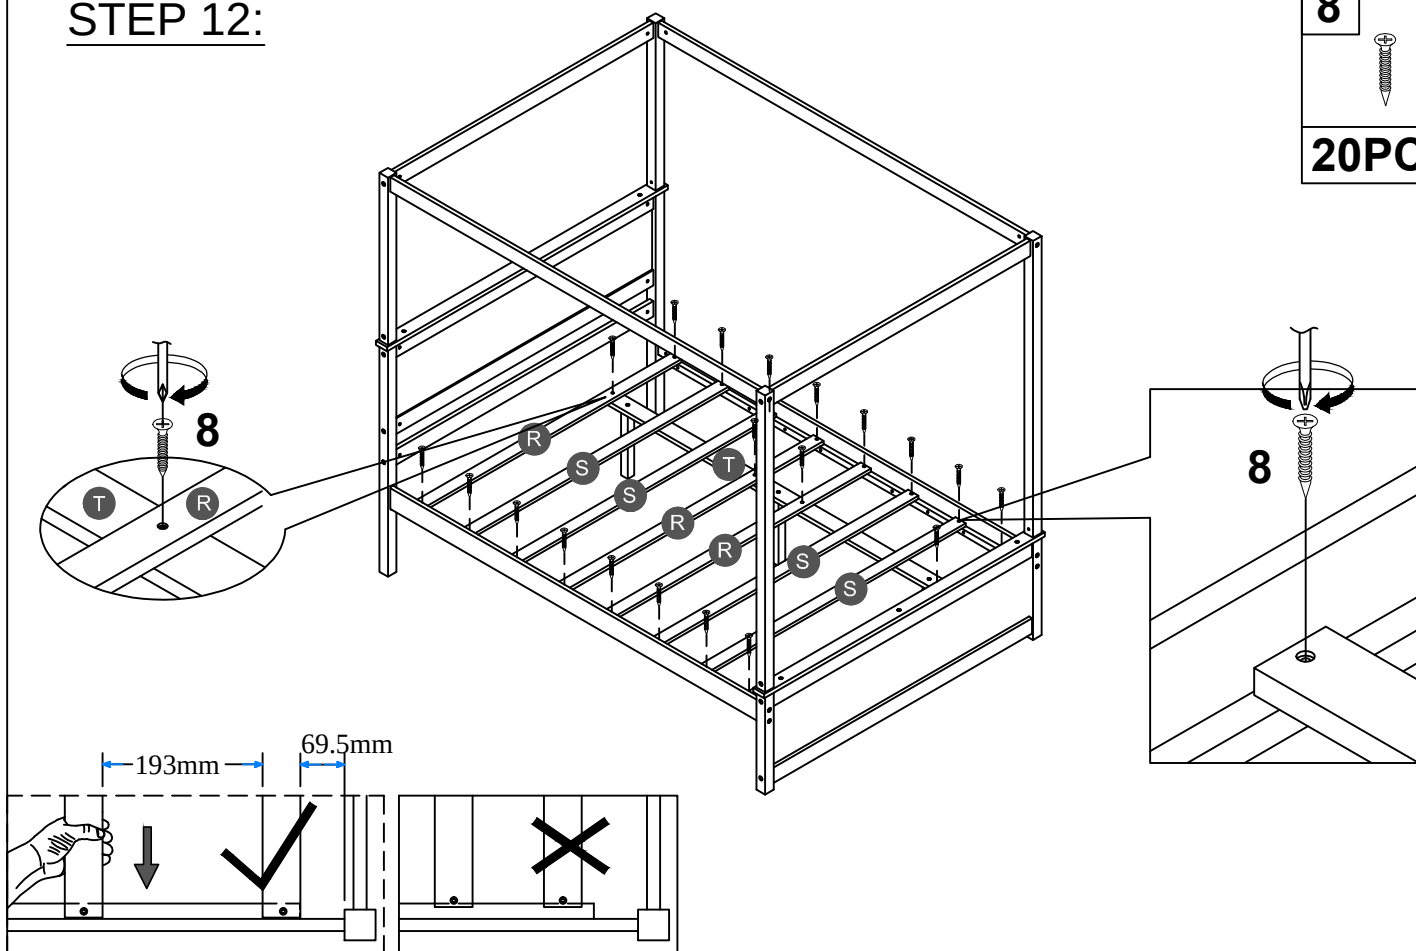

Assembling leg support (T) with lower support slat (U) later rotate, Move support slat inside Full bunkbed.

## STEP 12:

8

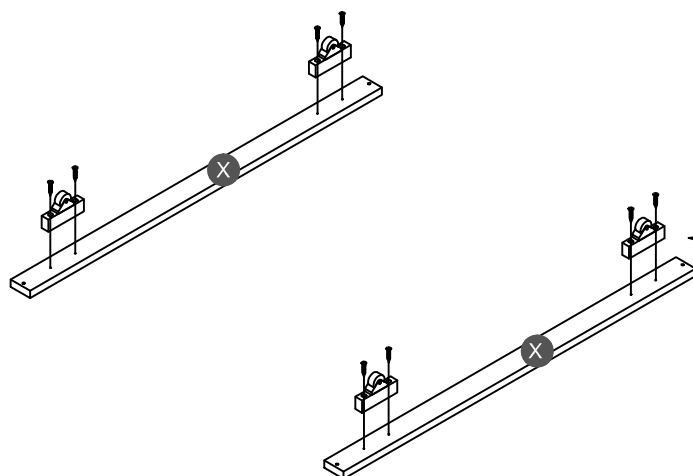

20PCS

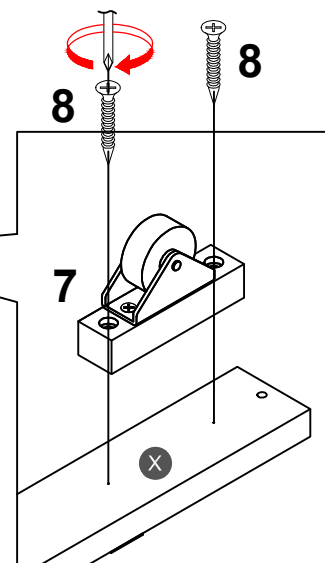

Note: Do not lock the screws of the bed slats to the outermost edge of the bed slats, you need to leave a certain space at the edges, otherwise it will cause the board to break. Do not lock the bed slats on the edge of the wood, please hold firmly before screwing, hold it in place with one hand, then lock the screw.

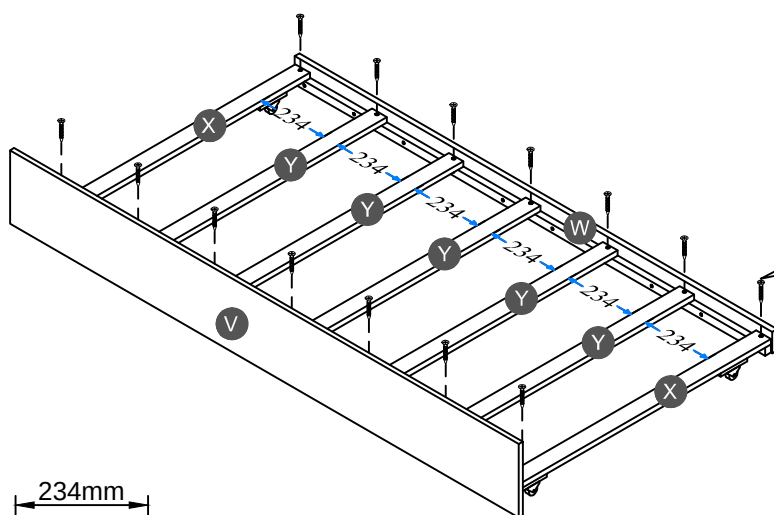

## STEP 13:

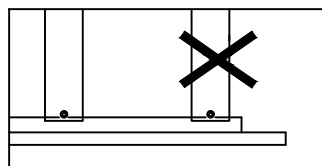

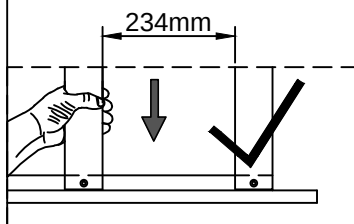

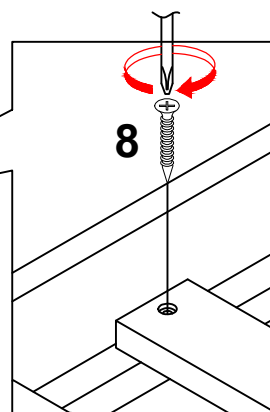

|                                                                                     |                                                                                     |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| 7                                                                                   | 8                                                                                   |
|  |  |
| 4PCS                                                                                | 8PCS                                                                                |

## STEP 14:

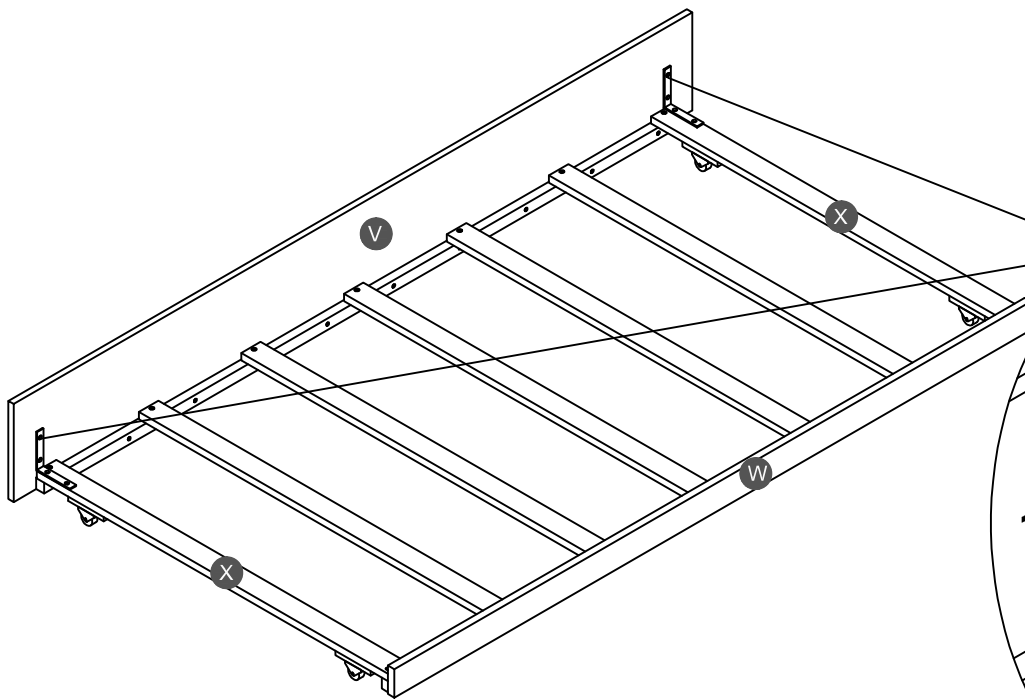

|                                                                                       |
|---------------------------------------------------------------------------------------|
| 8                                                                                     |
|  |
| 14PCS                                                                                 |

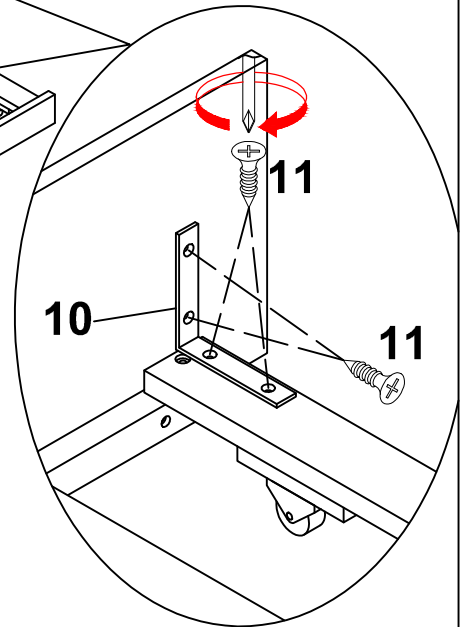

Note: Do not lock the screws of the bed slats to the outermost edge of the bed slats, you need to leave a certain space at the edges, otherwise it will cause the board to break.  
Do not lock the bed slats on the edge of the wood, please hold firmly before screwing, hold it in place with one hand, then lock the screw.

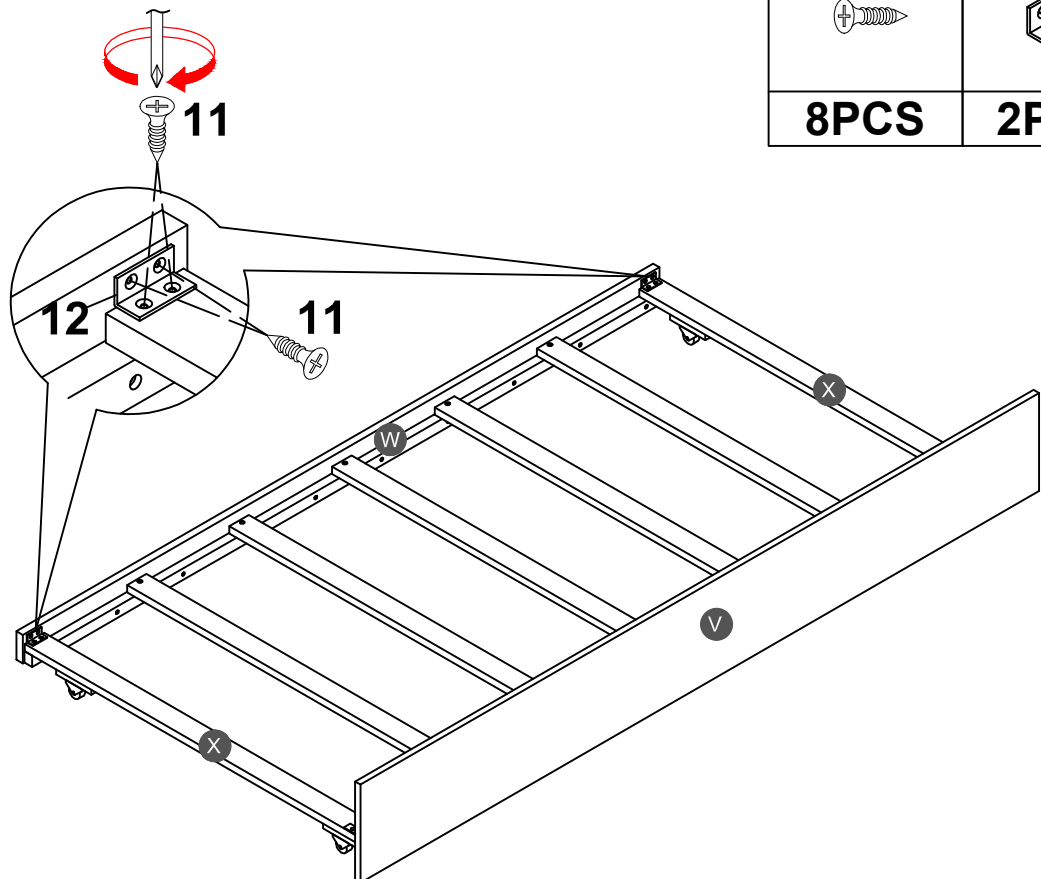

## STEP 15:

|                                                                                                  |                                                                                                  |
