

CALIFORNIA PROPOSITION 65 WARNING

Dear Valued Customers,

The California Safe Drinking Water and Toxic Enforcement Act of 1986, also known as Proposition 65 (Prop 65), requires businesses to warn individuals in California regarding the potential exposure to certain substances in products they purchase. For more information, go to www.P65Warnings.ca.gov.

The State of California has published a list of more than 900 substances that are subject to Prop 65, which it considers present a risk of cancer, birth defects, or other reproductive harm. Elements listed under Prop 65 have been found in the manufacturing and cleaning of a wide variety of products, such as Aluminum, Wood handrail cuttings, and Iron-based products, commonly used within the construction industry.

IAM Design and Arteferro products contain substances listed under Prop 65, including wood dust particles, iron, steel, brass, and lead, which are known to the State of California to cause cancer or congenital disabilities or other reproductive harm. Indital US Limited does not guarantee or warrant that other Proposition-65 listed substance are not present. To comply with Prop 65, these products carry the following or a similar warning:

WARNING: Cancer and Reproductive Harm - www.P65Warnings.ca.gov

Some of the substances covered by this proposition are common to metal-based products. As such, Indital advises our distribution network that ships products into the state of California to review all products they manufacture and resell to be in compliance with Prop 65.

Indital wants you to be able to make informed purchase decisions and to be aware of our commitment to creating safe products and of high quality. When possible, Indital will strive to reduce the presence of Prop 65 listed substances.
