

Van Zyverden's
ASTILBE PREMIUM MIXED COLORS

Astilbe are very popular, rugged, versatile, shade lovers that thrive in moist conditions. They produce tall, long elegant colorful plumes above divided fern-like green foliage in the summer and add bursts of impressive color to the garden landscape. Best yet, they are low maintenance, attract butterflies but are deer and rabbit resistant. They are quite diverse with hundreds of varieties available, each over-achieving in providing splendid flower shows. Use them in groups or mass them to create a ground cover. Pick for cutting when they are half opened.

*Continuously blooming
throughout the season*

Suitable for full shade

*Each plume consists
of hundreds of blossoms
opening in succession*

About This Variety: Astilbe mixtures, or blends, remain among the best selling 'Do It For me' blends in North America. Consumers like them for their bold, curb appeal colors, of lavender, pink, red or white and simple selection. A seasonal best buy and much bang for a buck!
