

Minwax® Helmsman Spar Urethane **CLEAR MOISTURE PROTECTION INSIDE AND OUT**

Helmsman Spar Urethane is a great choice almost anywhere wood is subjected to rain, moisture or high humidity.

- Ideal for indoor projects: Windows/doors/trim, bathroom cabinets, bar tops, kitchen countertops.
- Ideal for outdoor projects: Doors/windows/trim, outdoor furniture, play yards.

Extra protection outdoors.

- Helmsman also contains UV absorbers to keep the sun's rays from damaging and graying wood.
- And the protection lasts, thanks to a special formula that expands and contracts with seasonal temperature changes.

Available in Satin, Semi-Gloss and Gloss

IMPORTANT: Helmsman is not recommended for floors or decks.
