WEISER

GNA Series
- **Grade 2:** Meets residential ANSI A156.2 grade
- **Adjustable Latch:** Knobsets include an adjustable latch for 2-3/8" or 2-3/4" door backsets.
- **4-post Shielded Construction:** With a four-post zinc shielded chassis design for ease of installation and extra security against prying or kick-in attempts.

- **Trim Materials:** Brass inner and outer trim.
- **Door Preparation:** 2-1/8" diameter face hole and 1" diameter latch hole.
- **Keying:** 5 Pin cylinder standard.
- **Brilliance Brass:** Lifetime warranty against tarnishing

GAC Series:
- As above but meets Grade 3 specifications with 2-post construction and without shield.
