

 **WARNING:** This product contains crystalline silica. The State of California recognizes respirable crystalline silica dust as a carcinogen. This product in its finished form and used for its intended purpose by the end user will not create exposure to respirable crystalline silica. Dust generated by sawing, grinding, drilling, cutting, polishing and other mechanical manipulation of this product can create respirable silica dust. Do not engage in any of these activities with this product. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).
