

KRYLON[®] FUSION ALL-IN-ONE[®]

Krylon Fusion All-In-One is a premium product that provides 5X stronger adhesion* and bonds to difficult surfaces such as plastics and ready-to-assemble furniture without sanding or priming. It provides maximum rust protection for all outdoor projects and offers a broad color palette with premium finishes and sheens for indoors and out.

- 5X stronger adhesion to difficult surfaces
- No-Peel Guarantee†
- All-In-One paint and primer
- Maximum rust protection
- Fade resistance
- Easy-push, big-button spray tip allows application in any direction, even upside down
- Ideal for metal, wood, plastic, ceramic, glass, masonry and more
- Dries in 20 minutes or less

*Compared to Krylon General Purpose Paints. 5X stronger adhesion only applies to general purpose Fusion All-In-One spray paints. This excludes Fusion All-In-One Hammered, Fusion All-In-One Metallic, Fusion All-In-One Textured and Fusion All-In-One Clear spray paint products.

†If this product, when applied according to product application instructions to a properly prepared surface, peels or fails to perform to your complete satisfaction, contact us with the product number at 1-800-247-3268 or @krylon.com to request a refund.
