

Spills, drips and mistakes happen – Now there's a Goo Gone® product just for paint removal! Goo Gone Paint Clean-up removes paint spills and splatters without damaging the surface below*.

Water-Based • Biodegradable Ingredients • No Harsh Solvent or Odors • Works On All Surfaces Safely*

REMOVES: Wet and dried latex acrylic and enamel paint spills, splatter, overspray and imperfections, varnish, shellac, arts & crafts paints and caulks.

USE ON: Wood trim and baseboards, wood flooring, all natural stone/tile, fiberglass, fabric, carpet, ceramic and porcelain tiles, glass, sheet metal, most plastics, paint tool handles and more. *Do not use on: styrene, silk, leather or suede

NOTE: USE ONLY PER LABEL DIRECTIONS. Store and transport in a closed and upright position. **DIRECTIONS:** Pre-test on an inconspicuous area. Not recommended for latex painted walls or non-colorfast materials. 1. Remove unwanted spills as soon as possible. 2. Blot or wipe with a clean cloth or paper towel to remove excess. 3. Apply Goo Gone Paint Clean-up directly to the stain and allow a few minutes for product to start working. 4. Wipe with a clean cloth or paper towel. 5. Repeat if necessary. 6. For stubborn caulk stains, allow product to sit for ten minutes. **Clothing:** Do not treat clothing while wearing. Apply to stained clothing with small repeated applications. Allow time for stain to break up. Launder items separately, using extra detergent.

CAUTION: Contains Tripropylene Glycol Methyl Ether, Acetone and Benzyl Alcohol. May be absorbed through skin. Avoid contact with eyes and prolonged contact with skin. Use in well-ventilated area. **FIRST AID:** If swallowed, do not induce vomiting. Call physician immediately. In case of eye contact, immediately flush eyes with water for 15 minutes. Get medical attention if irritation persists. If on skin, wash thoroughly with mild soap and water. **KEEP OUT OF REACH OF CHILDREN.**
