- Use spatula  (part "SG8") for easier insertion of panel into profile.
- Please ensure the panels are all installed on position before screwing.
- Please be mindful of the screw size used during installation; using screws that are too long may damage the shed.

1. Please ensure that all accessories are complete before starting the installation.
 2. Due to the variety of accessories, many accessories may be glued together, please check carefully
 3. If any accessories are missing or damaged, please contact the seller immediately.
- E-Mail: Patiofurniture Serviceteam@outlook.com

NOTICE

Please keep these instructions for future reference.

Dear Customer

- Thank you for your purchase. When you receive the product, please make sure that all the parts are intact. Then follow the entire installation instructions to install!
- When installing, please be careful not to tighten the screws immediately! You need to make sure that all the screws are secured to 80%, then tighten them!

- A.** The outer box is damaged
- B.** The product is damaged / bent / cracked while you open the box
- C.** The parts / accessories / assembly tools are missing
- D.** The instructions are not clear and can not be referred
- E.** The product has functional problems
- F.** Other aspects that you are not satisfied with

Please feel free to contact us for help, and provide the following information:

Platform/Shop name/Order ID/buyer's name/ Receiver's address/Problem description.

(Homefurniture Serviceteam@outlook.com) will reply within 24 hours and will do our best to resolve the problem for you.

 Please keep the original boxes for returns, refunds will be refused for other boxes. Check the integrity of the components and handle them gently during installation!

The assembly area requires protective measures to avoid surface damage during the assembly process.
