Congratulations on the purchase of your Winlock Window Security Lock! You have made a smart investment for protecting your home. The Winlock is a patented USA design and specifically developed with durable materials for years of protection. Buy more for each window!

EASY INSTALL INSTRUCTIONS

To secure, the open window must have an appliance in it OR be in a closed position.

Open window. Place Winlock Base on top of the Bottom Pane.

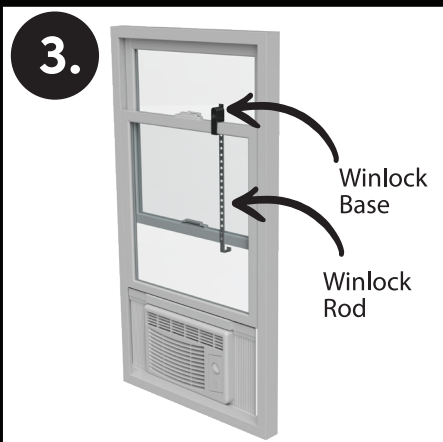

Ventana abierta. Coloque la Winlock base encima de la ventana inferior.

While holding the base in place, insert rod in the bottom rear of Winlock base.

Mientras sostiene la base en su lugar, inserte la varilla en la parte inferior trasera de la Winlock base.

Close window while holding base and rod.

Cierre la ventana mientras sujeta la base y la varilla.

Pull rod up until tightened at lower pane, then press button to lock.

Tire de la varilla hacia arriba hasta que quede apretada en la ventana inferior, luego presione el botón para bloquear.

Double Hung PROTECTION!

Winlock Keys Included!
