TEXAS BERMUDAGRASS

BRED FOR HOT TEXAS SUMMERS

3 EASY STEPS

FOLLOW THESE INSTRUCTIONS TO WOW YOUR NEIGHBORS

EN TRES PASOS SENCILLOS

Siga estas instrucciones para impresionar a sus vecinos

STEP 1

NEW LAWNS

OVERSEEDING

PREPARE

FOR BARE SPOTS/NEW LAWNS:

Remove debris, then rake the soil to loosen and smooth the top layer.

PARA ZONAS CON HUECOS O CÉSPED NUEVO: Retire los desechos y luego rastille la tierra para aflojar y suavizar la capa superior.

FOR OVERSEEDING/THIN AREAS:

Start by mowing existing grass as short as possible followed by removing debris. Then rake the soil to loosen and smooth the top layer.

PARA RESIEMBRA O ZONAS DELGADAS: Corte el césped existente lo mas corto sea posible y elimine los desechos. Luego, rastille la tierra para aflojar y suavizar la capa superior.

STEP 2

APPLY

Spread the seed evenly using a drop, rotary or hand-held spreader. Rake gently to work your seed & fertilizer into the soil.

Aplicación: Disemine las semillas de manera uniforme con un esparcador de caída, rotativo o manual. Rastille suavemente para que las semillas y el fertilizante germinen en la tierra.

STEP 3

WATER

Keep the soil moist by watering daily as needed until grass sprouts and reaches about 2" tall.

Riegue: Mantenga la tierra húmeda al regar lo que sea necesario por día hasta que el césped brote y alcance alrededor de 2 pulgadas (5,08 cm) de alto.

*Versus Bermuda grass alone. Based upon % of green cover up to 17 days after planting (as measured on days 6, 10, 13, and 17).

Notice: The color green as applied to grass seed is a registered trademark that is registered in the U.S. Patent and Trademark Office by Pennington Seed, Inc. Pennington uses the safest colorant available.

Warning: Treated Seed. Do not use for food, feed, or oil purposes. Store away from Feeds and foodstuffs. Keep out of reach of children. If swallowed, call poison control. This coating protects with a fungicide to help keep seeds safe from diseases that harm them.

Do not apply near water, storm drains, or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn/garden, and sweep any product that lands on hard surfaces back into the lawn. Check with your local cooperative extension agency for management practices or city government to understand fertilizer regulations.

NOTICE: Arbitration/conciliation/mediation required by several states. Under the seed laws of several states, arbitration, mediation, or conciliation is required as a prerequisite to maintaining a legal action based upon the failure of seed, to which this notice is attached, to produce as represented. The consumer shall file a complaint along with the required filing fee with the commissioner/director/secretary of agriculture, seed commissioner, or chief agricultural officer within such a time as to permit inspection of the crops by the designated agency and the seedsmen from whom the seed was purchased. A copy of the complaint shall be sent to the seller by certified or registered mail or as otherwise provided by state statute.
