

Care Instructions

MATTRESS CARE GUIDE

To extend the life of the mattress, please follow these cleaning and care instructions.

HYBRID MATTRESS

- Spot clean with a damp cloth and mild detergent or a soft enzyme cleaner by hand only
- Rinse by blotting with warm water and dry thoroughly without heat
- Do not remove the cover and do not soak the foam
- Do not machine wash or dry
- To remove odor, sprinkle the area with baking soda and allow to set, then clean with a vacuum hose attachment
- For dust maintenance, vacuum the mattress regularly with a hose attachment

PROTECT YOUR MATTRESS

Protect your mattress from future leaks and spills with a waterproof mattress protector.
