

Wood Fired Portable Pizza Oven

With the Hanover Wood Fired Pizza Oven, you'll transform your patio into a restaurant-quality outdoor kitchen fit for any culinary enthusiast. As the perfect blend of luxury and performance, the outdoor wood pizza oven provides years of unparalleled cooking and entertaining. Equipped with a sleek stainless steel exterior, a built-in thermometer, and two shelves for convenient storage, the outdoor wood fired pizza oven will quickly become the focal point of your entertaining space. By prioritizing durability and style with Hanover, you'll enjoy the extravagance of professional-grade appliances in the comfort of your home.

An ideal blend between style and functionality, the outdoor wood fired pizza oven from Hanover is a unique touch to your outdoor dining experience. Without a doubt, this modern stainless steel pizza oven slices through the competition.

- Heavy gauge 304 stainless steel construction
- Built-in ash tray for easy removal of ashes
- Built-in thermometer
- Spark guard mesh screen on chimney stack to control embers from escaping
- Adjustable flue mechanism on stack to help control heat temperature
- Sturdy cart with two large shelves capable of supporting heavy items such as wood or the oven door
- 4 castors, 2 locking swivel for easy location changes
- Collapsible side tray
- Designed for cart or built-in application
- 2 year limited warranty

This versatile hearth oven can be used for much more than cooking pizzas. Expand your outdoor cooking menu by trying some of these ideas in your Hanover Pizza Oven:

- Roasted Vegetables
- Slow Cooked Meats
- Baked Seafood
- Dessert Tarts
- Freshly Baked Breads
- and so much more!
