

Use and Care Manual

Thank you for choosing the **Cavallo 7-Piece Aluminum Outdoor Dining Set**. To ensure the longevity and comfort of your furniture, please follow these simple care instructions::

Use Instructions:

- **Assembly:**

Some assembly required; hardware and instructions are included for quick and easy setup.

- **Outdoor Use:**

This set is designed for outdoor use and can withstand various weather conditions. To extend its lifespan, we recommend using covers when the furniture is not in use, especially during extreme weather conditions.

- **Cushion Care:**

The cushions are crafted from high-quality Sunbrella fabric, known for its durability and resistance to weather elements. We recommend removing the cushions during extended periods of non-use to keep them dry and maintain their shape.

Care Instructions:

- **Cleaning:**

Wipe the aluminum frame and sintered stone tabletop with a soft cloth or sponge. For deeper cleaning, use mild soap and water. The Sunbrella cushions can be spot cleaned with mild soap or diluted bleach. Avoid using abrasive cleaners or scrubbers on the frame, tabletop, or fabric.

- **Protection:**

The frame is made from durable aluminum with a powder-coated finish, while the tabletop features a high-quality sintered stone with a marble-like appearance. However, prolonged exposure to harsh weather conditions may still cause wear. Using covers or storing the set indoors during severe weather can help protect it.

- **Storage:**

When not in use, store the set in a dry, cool location. If possible, cover the furniture with a

protective cover to shield it from dirt, dust, and moisture.

Safety Precautions:

- Ensure that the table and chairs are placed on a flat and stable surface to prevent tipping.
- Avoid dragging the furniture across rough surfaces to prevent damage to the frame or the floor.

We hope you enjoy your **Cavallo** outdoor dining set. If you have any questions or need assistance, please feel free to contact us.
