

Cargo Liner with Side Walls

User Guide

JUMCLGRY

Thank you for purchasing the Jumbl® Cargo Liner with Side Walls. This User Guide is intended to provide you with guidelines to ensure that operation of this product is safe and does not pose risk to the user. Any use that does not conform to the guidelines described in this User Guide may void the limited warranty.

Please read all directions before using the product and retain this guide for reference.

This product is covered by a limited one-year warranty. Coverage is subject to limits and exclusions. See warranty for details.

Parts

Cargo liner with 2 side walls

6 suction cup straps

2 Velcro straps

Assembly

1. Lay out the cargo liner in the cargo area of the vehicle with the non-slip material facing downward.
2. Loop the headrest straps over the car seat headrests and adjust so that the fit is secure.
3. Clean the surface of the side of the vehicle before attaching the walls with the suction cups.
4. For added strength and security, peel off the paper backing on the Velcro straps and attach to the walls.
5. When not in use, tuck the bumper cover underneath the cargo liner.

Care and maintenance

- Vacuum and wipe with a damp cloth.
- Machine wash cold, gentle cycle, hang to dry.
- Excessive machine washing may speed up the wearing of the cover and degrade the waterproofing.
- Avoid washing with an agitator.
