

MAGNOLIA HOME BY JOANNA GAINES™ CHALK STYLE PAINT

PRODUCT INFORMATION

MAGNOLIA HOME BY JOANNA GAINES™ CHALK STYLE PAINT is a fun, easy way to add history and character to any surface. It requires very little surface preparation and goes on thick. Depending on the look you want, simply apply 1 or 2 coats of the product on a clean, dust-free, or lightly sanded surface. For better durability, seal the surface with MAGNOLIA HOME BY JOANNA GAINES CLEAR SEALING WAX or MAGNOLIA HOME BY JOANNA GAINES PROTECTIVE FINISHING MATTE GLAZE. A "French antique" look can be achieved by applying two contrasting colors, distressed with sandpaper, and sealed with MAGNOLIA HOME BY JOANNA GAINES DARK WAX.

The colors of the paint have been chosen from Joanna's own personal projects and are sure to inspire yours. Backed by the makers of KILZ®, a trusted name for over 40 years, you can be sure that whether you're reclaiming, refinishing, remodeling, or renovating, MAGNOLIA HOME BY JOANNA GAINES CHALK STYLE PAINT can help give you the "lived-in" look you've been dreaming of. So, let's get started!

DESIGNED FOR

MAGNOLIA HOME BY JOANNA GAINES CHALK STYLE PAINT can be applied over most existing finishes with little surface preparation. Use this product to up-cycle vintage furniture. Apply paint on old and new wooden furniture, cast stone, concrete, and even metal surfaces†. Do not use on horizontal surfaces subject to foot traffic.

FINISH

Sheen @ 85° <5

Sheen level depends on porosity of surface and various surface irregularities.

Resin Type: MODIFIED ACRYLIC

*Weight per Gallon: 12.5 +/- 2% lbs.

*% Solids by Volume: 38 +/- 2%

*% Solids by Weight: 59 +/- 2%

VOC: < 50 g/L

The addition of colorants may add VOCs.

FLASHPOINT

N/A

*VISCOSITY

85-95 KU

COVERAGE RATE

60-100 sq. ft. of coverage per quart with two coats depending on your technique and surface porosity.

*RECOMMENDED FILM THICKNESS

Film thickness depends on porosity of surface and various substrate irregularities.

At 60 sq. ft. per Quart:

Wet: 6.5 mils; **Dry:** 2.5 mils

At 100 sq. ft. per Quart:

Wet: 4.0 mils; **Dry:** 1.5 mils

APPLICATION

Roller:

3/8" - 1/2" synthetic roller

Brush:

Nylon / Polyester Blend

Note: This product is formulated to be rich and concentrated to provide excellent hide and coverage. If you find this product to be too thick add up to 2 oz. of water per quart to thin it to the desired thickness for smooth and easy application.

DRY TIME @ 77°F and 50% RH:

To Touch: 1 hour

To Recoat: 2 hours

Darker colors may require additional dry time between coats. Cooler temperatures or higher humidity may prolong drying time.

SURFACE PREPARATION

Clean the surface before applying MAGNOLIA HOME BY JOANNA GAINES™ CHALK STYLE PAINT. Loose and peeling paint, mold and mildew stains, rust and all other foreign substances should be removed from the surface. We recommend scuffing and sanding glossy surfaces and repairing any imperfections. Remove all dust with a damp cloth and allow to dry. Use MAGNOLIA HOME BY JOANNA GAINES CHALK STYLE PAINT on properly prepared uncoated or painted interior surfaces. For woods that contain tannins, such as redwood and cedar, use a coat of primer such as KILZ® PREMIUM Interior/Exterior Water-Base Primer.

Glossy Surfaces:

†For optimal adhesion to difficult surfaces use KILZ PREMIUM Primer. Follow the instructions on the back of the primer label and top coat it with MAGNOLIA HOME BY JOANNA GAINES CHALK STYLE PAINT.

New Wood:

WARNING! Sanding or scraping pressure treated lumber may be hazardous; wear appropriate protection. Remove mill glaze with sandpaper. Set nails and fill holes, scratches, and gouges with the appropriate wood filler and let dry completely. Remove all dust with a wiping cloth. Fill all gaps with a paintable caulking, and allow to completely dry prior to coating.

WARNING! If you scrape, sand or remove old paint, you may release lead dust. **LEAD IS TOXIC.** Contact the National Lead Information Center at 1-800-424-LEAD or visit www.epa.gov/lead.
