

## THE SMART CHOICE FOR REAL WATERPROOF HARDWOOD

### 100% WATERPROOF FLOORING

#### 1 REAL HARDWOOD FOR REAL LIFE

- Maintains its beauty even in the busiest homes
- Uniquely beautiful....no two planks are the same!

#### 2 WATER? NO WORRIES

- 100% waterproof means no swelling, cracking or peeling when wet
- Install it anywhere - even kitchens, bathrooms, mudrooms, basements, laundry rooms and other wet areas

#### 3 CLEANING IS A BREEZE

- Easy to clean and maintain
- Can even be damp mopped

#### 4 EASY DIY- FRIENDLY INSTALL

- Click-together planks install in a snap over existing hard surface floors
- No adhesive or installation experience required

#### 5 STRENGTH + STABILITY COME NATURALLY

- Hides most subfloor imperfections
- Won't expand or contract once installed
