Generator Transport Cart

Air-cooled Generator Sets

Model 5685

DESCRIPTION

The Generator Transport Cart is designed to allow a single individual to move and position any of the air-cooled generators without the need for additional people or equipment. By attaching the cart to the generator through the lifting holes, the generator is lifted from the pallet by leverage and is easily wheeled to the appropriate location for final setting.

***This Cart is compatible with any of the air-cooled models.**
