

The Keystone Mini Split AC and Heating System delivers efficient, year-round comfort for homeowners, apartment residents, remote workers, and families looking to heat and cool bedrooms, offices, additions, studios, garages, and other living spaces. Designed as a primary room comfort solution or supplemental HVAC system, this ductless mini split provides even airflow without drafts, hot spots, or uneven temperatures. Built for people interested in lowering utility costs, improving indoor comfort, and upgrading to smarter climate control.
