Sandbox Cover

Enjoy your SandLock Sandbox!
You have chosen America's #1 sandbox. With minimal care, your sandbox will look great and provide years of safe and interactive fun.

When playtime comes to a close at the end of the day, be sure to utilize SandLock's CoverLock system. You want to keep your sand play environment clean, dry and free from debris and animals. SandLock has developed the solution. The CoverLock system is the most simple way to keep your sandbox securely covered.

Arrange seats on end in center of sandbox with gussets facing each other as illustrated.

Place cover over each corner of your sandbox and secure by pulling the shock cord into the CoverLock notches on each corner.

Pull cover down over corners...it's that simple...

You're covered!
