for your
family's health

POWERFUL 5-STAGE PURIFICATION

CADR RATING	POLLEN 111	DUST 120	SMOKE 114
CADR RATING	POLLEN 111	POUSSIÈRE 120	FUMÉE 114

True HEPA Filter
Filtre True HEPA
helps remove allergens & pollutants
contribue à l'élimination des allergènes
et des polluants

UV-C Light
Lumière UV-C
helps reduce certain bacteria and viruses*
aide à réduire certaines bactéries et virus*

Photo Catalyst Filter
Filtre photocatalytique
helps remove odors & fumes
contribue à éliminer les odeurs et les
gaz COV

Makes The Difference
3 Fan Speeds • 24-Hour Digital Timer • Filter Replacement
Indicator Light • UV & ION mode

Crée la différence
3 vitesses de ventilation • Minuteur numérique de 24
heures • Rappel du remplacement du filtre • Touche UV / COV

*Cleaning: Bacterial Rate (Daphnocytoxicity index 8032 >99.9%, Escherichia coli 8099 >99.9%)
according to GB/T 18801.1-2015
Virus Removal Rate (E. Coli Phage PhiX174 >99.9%) according to GB/T 18801.1-2015

- 1 Pre-Filter
Pré-Filtre
- 2 Cleanable HEPA Filter
Filtre HEPA lavable
- 3 UV-C Light
Lumière UV-C
- 4 Photo Catalyst Filter
Filtre photocatalytique
- 5 Powerful Fans with ION Boost
Ventilateurs performants avec fonction ION Boost

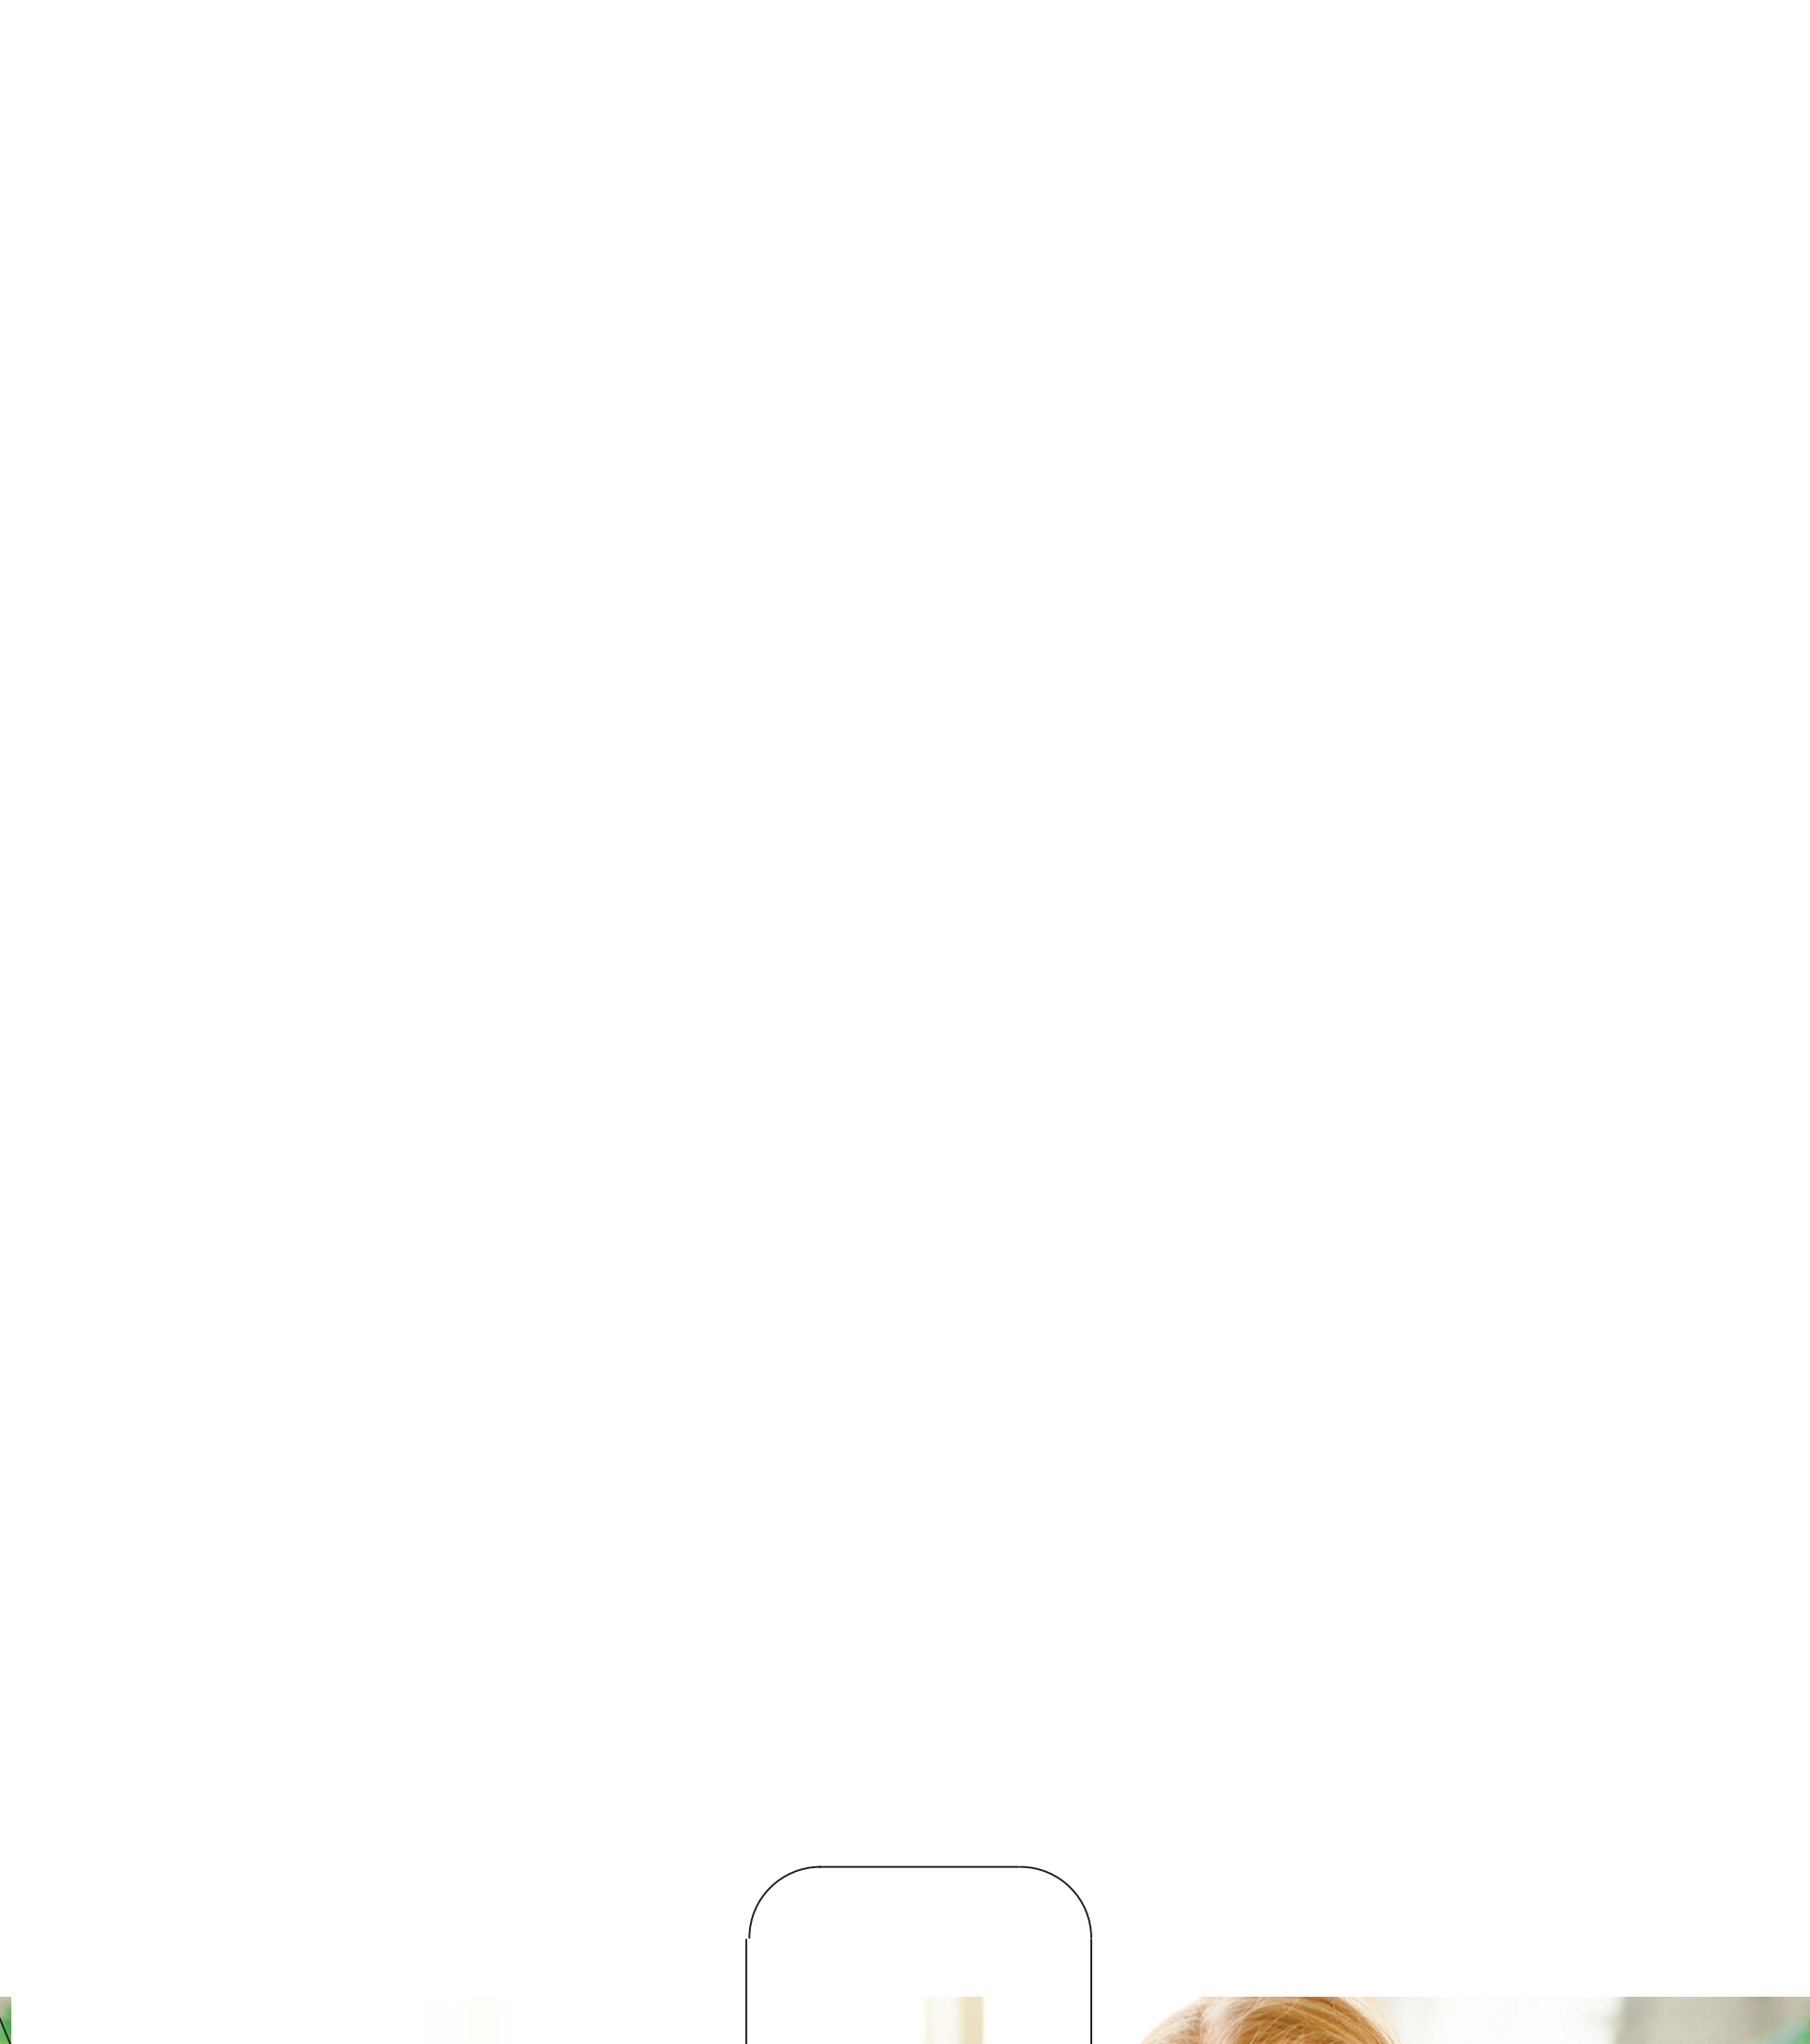

The 8-1/2" True HEPA Filter for this product is 0.3 microns when tested in a 30 m3 chamber.
L'ensemble TPA sur 8 heures pour un produit est de 0.00077 ppm dans une chambre
de 30 m3.
WARNING: This product can expose you to Mercury, a chemical which is known to the state of California
to cause birth defects or other reproductive harm. For more information visit www.P65Warnings.ca.gov.

Voltage 120V ~ 60 Hz
Consommation d'énergie 80 W
Type de filtre True HEPA
Dimensions (LxPxH) 225 x 218 x 621 mm
Poids 4.23 kg
Niveau sonore en marche < 60 dB(A)
