TOUGH TOOLS, HALF PRICE

Technical Support and E-Warranty Certificate www.vevor.com/support

INSTRUCTION FOR POLYCARBONATE AWNINGS

We continue to be committed to provide you tools with competitive price.

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

Technical Support and E-Warranty Certificate www.vevor.com/support

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

SAFETY INFORMATION

- Make sure to keep sufficient distance to the water pipe as well as gas and power lines to avoid possible damage. Please check the area for the water pipe, power cables and gas lines. Ask your local authority for further information if needed.
- In order to ensure your own safety, please make sure to wear a helmet, gloves and solid shoes when installing this product.
- Please keep small spare parts out of children's reach.
- The awnings should only be assembled by at least two adults. Please keep children away from the awnings while assembling it to protect them.
