Resista el clima con máxima protección

House/Casa:
Green Water 5003-4A

Year-round weather resistance to cracking, peeling and fading means your freshly painted exterior stays looking new, even in extreme weather and sunlight.

La resistencia al clima todo el año al agrietamiento, al descascarado y al decoloramiento se traduce en que el exterior recientemente pintado se mantendrá uniforme y nuevo en climas extremos y bajo la luz solar directa.
