

# Haunted Hill Farm®

Enter, if you dare, into the horrifying world of Haunted Hill Farm. Be afraid. Be very afraid of our Spooky Ghosts Collection. These shadowy spirits are just what you need to turn your home into the scariest house on the block.

The Floating Ghost Heads of Halloween Forgotten, Current, and Hereafter anxiously await the arrival of any trick-or-treater who dares knock on your door, so they can spring into action.

The side heads float up while the middle head floats down, then vice versa. Ghoulish haunting noises echo in the night while blue LED lights cast an eerie effect over these spooky ghost heads, chilling your visitors to the bone. Realistic facial expressions are designed to look ghoulish and eerily lifelike.
