

Warning! Sharp Edges!

CAUTION! SHARP EDGES

Wear protective eyewear, clothing and gloves

METAL ROOFING ITEMS: Must be stored properly in transit or on the job site.

DO NOT: Store metal roofing panels, trims, flashing or roof edges in an open area where moisture can accumulate.

ALWAYS COVER: Bundle metal products with breathable tarps (not plastic) and store on a slant for water drainage.

WARRANTY: Failure to comply with these procedures relieves the manufacturer of responsibility for and resultant damages to or deterioration of the product voids all warranties. There is no implied warranty of merchantability or fitness for purpose.

CAUTION!

Working above grade is inherently dangerous, be sure that proper fall protection measures are in place. When working with power tools and sheet metal, gloves and eye protection are absolutely required.
