

Remember how good your wicker looked when you brought it home? Now, like magic your wicker can look that good again without washing or scrubbing. Our special formula returns wicker to look like new in minutes and then repels dust to keep them looking that way for months. Just spray it on and your done, no ducting, no scrubbing.

- Returns wicker to look like new
- Repels dust
- No scrubbing
- No dusting

Works on all types of wicker:

Wicker furniture, outdoor wicker patio furniture. Wicker plant baskets. All other types of wicker accessories. If it's wicker it works!

Directions: 1. If cleaning wicker furniture remove glass, cushions, or any fabric. 2. You DO NOT need to rinse wicker with water before applying wicker Magic but if you do, lightly spray away debris with a garden hose and let them completely dry. 3. Shake well before using. Adjust spray nozzle counter clockwise for the WIDEST SPRAY. Do not use indoors, or over asphalt, paint or carpet. 4. Hold the sprayer 10" away from the wicker and spray thoroughly. Allow Wicker Magic to dry for about 30 minutes before replacing cushions. 5. For wicker flowers baskets you can also use Wicker Magic to clean your silk plants. Hint: For a more even finish us a microfiber towel to lightly wipe the wicker.
