1

2

Please do not tight the screw until all screw lined up with hole and try to tight it loosely initially in all screws then tight a little bit more in all screws do not overnight one screws that will make other screw hard to tight but tight all screw firmly in the end

3

**NOTICE** Do not tighten the bolts before the product is fully assembled.

**NOTICE** Tighten all the bolts after full assembly.

7

8

There's a circle under the chair if you turn it, it will lessen the force required to the lean back in the chair

9

This chair will not lay flat but can recline. in order to recline. please pull the handle on the side out
