

## 8-in-1 Metric Impact-Rated Flip Socket Set

The 8-in-1 Metric Impact-Rated Flip Socket Set includes 8 hex nut driver sizes in one tool. The versatility provided allows for convenient swapping between sizes and quickly attaches to an impact driver or our 1/4-Inch quick-connect handles (handles sold separately). Every component in impact-rated, making it an essential tool for the toughest driving applications.

### Specifications

|                   |                                                                    |                   |                                                     |
|-------------------|--------------------------------------------------------------------|-------------------|-----------------------------------------------------|
| Type:             | Flip Socket                                                        | Application:      | Fastening; Impact Driving                           |
| Special Features: | Multi-Bit Nut Driver; Impact Rated; Flip Socket; Rare Earth Magnet | Overall Length:   | 6.7" (17 cm)                                        |
| Overall Height:   | 1.02" (2.6 cm)                                                     | Overall Width:    | 1.02" (2.6 cm)                                      |
| Material:         | Steel Alloy                                                        | Finish:           | Manganese Phosphate                                 |
| Drive Size:       | 1/4"                                                               | Socket Size:      | 7 mm, 8 mm, 10 mm, 12 mm, 13 mm, 14 mm, 15 mm, 17mm |
| Number of Points: | 6                                                                  | Case Included:    | No                                                  |
| Included:         | (4) Flip Sockets                                                   | Number of Pieces: | 5                                                   |
| Weight:           | 7.36 oz (208 g)                                                    |                   |                                                     |
